## **Blessed Are The Meek**

**This study guide is intended to be used for personal study and within your community group to facilitate discussion.**

- (1) What does it mean to be meek? How does our society see meekness as weakness? Why is this a wrong perception?**
- (2) How does Psalm 37 (which Jesus echoes in this Beatitude) describe the posture of the meek? (vv 1, 3, 4, 5, 7, 11, 23, 29)**
- (3) Read Mark 8:36. We see here, that to live contrary to the way of meekness, is to do great damage to our very humanity, as image bearers of God. What areas of life do you find it difficult to walk in meekness, for fear of loss, missing out, being left behind, being taken advantage of?**
  - a. You won't be!**
  - b. Be assured, you will not be left out, God will take care of you!**
  - c. Psalm 37: Do not fret/fear/be anxious, but commit your ways to the Lord, delight in Him, follow Him, He watches over those who are meek!**
